

## About Us

**LuckyCaravan Pictures** is an image bank specializing in the sale of royalty-free photos, videos, illustrations and archives. Our contributors, both professionals and discerning enthusiasts, regularly enrich our collections and offer downloadable images of landscapes, monuments, animals, scenes of everyday life and heritage, often with an artistic or documentary focus.

### A cabinet of curiosities

- Photographs: Natural landscapes, architecture, historical elements, wildlife, rural scenes, etc. Many themes from around the world are covered.
- Videos and illustrations: In addition to photos, the platform also offers video files and illustrations for publishing and communication purposes.
- Archives: Rare restored historical images are also available, such as old photographs and urban scenes from the late 19<sup>th</sup> and early 20<sup>th</sup> century.

### Our offer

- The images are royalty-free, meaning that there are no additional fees or charges to pay after obtaining the royalty-free license at the time of purchase. This makes them easy to use for both professional and personal projects.
- Prices vary depending on the image and the contributor, with a clear indication on each product page which also features a short description and the name of the author.

**LuckyCaravan Pictures** is an independent image bank focused on quality and diversity of visual content, tailored to the needs of creators, publishers and communicators looking for original and sometimes rare visuals.

**LuckyCaravan Pictures** stands out as an original alternative to large image banks by offering a rich and thematically unique catalogue.
